Voluntary Accidental Death & Dismemberment Insurance

CHUBB®

Accidents are the fifth leading cause of death for Canadians.¹ The number of injuries that don't result in death are even higher, leaving accident survivors to face sudden expenses and difficult lifestyle changes. AD&D coverage helps protect you and your family in the event of an accident.

The Benefits

For only a few dollars a month, you can purchase high limit, 24-hour accident protection for yourself and your family regardless of your health history.

In addition to a death benefit, this plan provides valuable living benefits to help protect your family's financial security if you are injured, such as:

- two times principal sum for paralysis
- home and vehicle modification
- rehabilitation benefits

How does it Work?

You choose a principal sum amount from \$10,000 to \$250,000 in units of \$5,000.

You may also add family coverage. If you select family coverage, your family will automatically be insured for the following amounts:

Your spouse will be insured for 40% of the principal sum you select for yourself. If you do not have any eligible dependent children your spouse will be insured for 50%.

Each dependent child will be insured for 10% of the principal sum you select for yourself. If you do not have a spouse, each dependent child will be insured for 15%. Each child's maximum principal sum cannot exceed \$50,000.

What does it cost?

The monthly premium rates per \$1,000 of coverage are:

- **Single:** \$0.02
- **Family:** \$0.03

To calculate your rate multiply the principal sum amount times the premium rate shown above.

For Example: Your premium for \$100,000 of coverage would be:

- **Single:** \$2.00/month
- **Family:** \$3.00/month

Premiums are fully paid by you through payroll deduction.
